

A photograph of a modern outdoor dining set under a pergola. The set includes a square table and four chairs, all in a dark, textured metal finish. The table is set with a bowl of fruit. The pergola has a light-colored, slatted roof. The background is a lush garden with various plants and trees. The sky is blue with some clouds.

INTRODUCING HUESCAPE™

A timeless palette, drawn from the British landscape

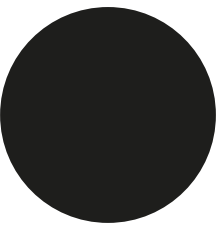

Introducing

# Huescape

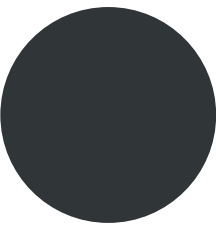

## Colour Palette

Our new colour palette, carefully curated to ensure each of the shades harmoniously blends with the natural vibrancy of garden blooms and residential styles. Soft, earthy neutrals and richly grounding tones, this palette has been designed to enhance the elegance of your garden, creating a serene and cohesive atmosphere.

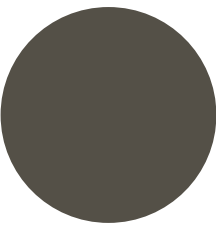

Midnight Black

Inspired by the sleek, timeless black cabs that traverse the streets of London.

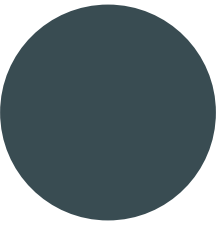

Anthracite Grey

Inspired by the deep, refined tones of anthracite coal.

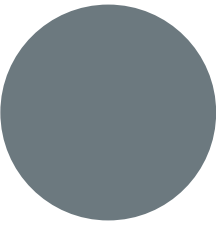

Bridle Brown

Inspired by the rich, deep brown of a horse's bridle and coat.

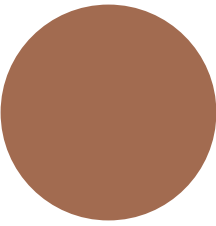

Local Navy

Inspired by the deep, comforting navy of a beloved local pub.

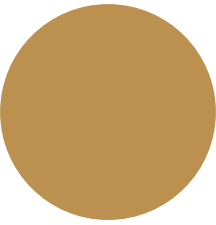

Rainfall Blue

Inspired by the soft, muted blue-greys of an overcast English day.

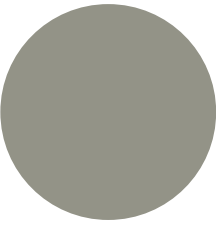

Potted Red

Inspired by the timeless charm of classic terracotta.

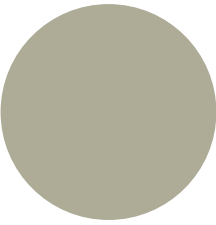

Harvest Ochre

Inspired by the golden glow of wheat fields ready for harvest.

Mossy Olive

Inspired by the rich, enduring greens of British woodlands and hedgerows.

Field Green

Inspired by the rolling green fields of the British countryside.

Cotswold Cream

Inspired by the warm, honeyed hues of the iconic Cotswold stone.

Fresh White

Inspired by the striking, pure white cliffs of Dover.

# Verandas & Canopies

A refined outdoor solution, designed to offer shelter year-round – without losing the light, the view, or the sense of space you love. Now available in colours that honour the landscape around you.
